Corporation Tax Increased.

The corporattion tax division of the Treasury yesterday increased the taxa-ble assets of insurance corporations by several million dollars by requiring that dividends paid annually by the compa to policyh dera be hereafter classific

The change will result in the paymen of nearly \$1,00,000 a year on thes amounts as a corporation tax. The Mu-tual Life insurance Company will suffer

mounts as a corporation tax. The Muttual Life Insurance Company will suffer heaviest, its annual corporation tax being increased by \$100,000. The Treasury Department holds these annual dividends are made possible by the imposition of too heavy premiums upon the policyholders and should be classed as rebates instrad of dividends.

Royal E. Cabell, Commissioner of Internal Revenue, in instructions to his agents under the ruling says:

"The various agents will, therefore, continue to make up the returns from the ledger accounts of the insurance companies, recommend disallowance of any deduction claimed on acount of dividends, and report as items of income all dividends declared by insurance companies by direction of the owner thereof, even though the physical possession of such dividends shall have continued with the company."

New York. Dec. II.—While his three daughters were in court trying to get papers of administration on his son's estate, swearing their father was dead, James Tully came into court. He mays they knew he was alive.

London, Dec. II.—George Alexander Redferd, who has been examiner of plays since 1905, has resigned, and will be succeeded by his recently appointed assistant, Charles E. Brookfield. His resignation is said to be the direct result of the appointment of Brookfield who has been the subject of much criticism in fheater circles. George Bernard Shaw is reported to have fainted when he heard the news.

The Safest Investments

Are tnose that do not fluctuate during dis-turbed conditions of the money or stock man-lets. First deed of trust notes (first meri-pages), well secured on real satate in the Dis-trict of Columbia, constitute "gillredge" in-ventments. They do not depend upon the financial responsibility of individuals or con-perations for their stability, and are exempt from transition as personal property. We can supply such investments in amounts from 2008 upward. Send for booklet, "Concerning Loans and Investments."
